Llancarfan Society

A message from Llancarfan society...

The Llancarfan Society is a forum for those who are resident in the Llancarfan area; those who have previously resided in the area; or those who have family connections with Llancarfan. Newsletters are published on a regular basis. Previous newsletters can be found on the Society's website

<https://www.llancarfansociety.org.uk>

These can be a valuable resource for those researching the history of the area or its residents.

We also hold regular events. The next planned event is a dinner in 'The Fox and Hounds' Llancarfan in early 2023. We also plan a wine tasting in the Village Hall Llancarfan in March 2023. Details of both events will be circulated as soon as possible.

Membership of the Society runs from the 1st January to the 31st December and costs £15 per household or £10 for a single member household. A membership application form can be downloaded from the Society's website.

The Fox and Hounds update

THE FOX
AND HOUNDS
COUNTRY INN & DINING

A message from Emily, manager of The Fox and Hounds...

As many of you are aware, many rural inns are closing on a weekly basis and the Fox and Hounds was no exception and may have possibly closed last month.

Thankfully the team at the Fox and Hounds had the opportunity to discuss its future with the current lease owners and a deal was negotiated for us to take ownership back into the local community from the 1st October 2022.

We are pleased to announce that our restaurant is now open from Wednesday evening through till late Sunday afternoon with a mouth-watering menu for you to choose from.

We look forward to seeing many of you over the festive period and we would like to thank everyone for their continued support.

Our very best wishes.
